## GREETINGS

To the Alumni and former students of the State Normal School at Cheney on our First Homecoming Day:

Since your departure from our midst, we have welcomed to our institution many new, alert, and enthusiastic students, who are successfully following in your footsteps. But we have by no means forgotten those who came to us during former years. Through your faithful performance of duty, cooperation and active interest in the welfare of the institution while enrolled with us, you have materially aided in our growth into a BIGGER AND BETTER NORMAL. And, may I add that your influence has not merely remained within the walls of the institution, but has extended into every section of the state. Indeed, the echo of your devotion and loyalty to your Alma Mater resounds even beyond the borders of the state, is of lasting benefit to the institution, and deeply appreciated by the administration.

May I, in behalf of the entire faculty, again greet you and welcome you to this—our First Homecoming Day. We hope that you may enjoy your stay with us as much as we appreciate your coming back to Cheney to assist us in the celebration of this event.

Cordially yours,  
N. D. SHOWALTER,  
President.

## SNEAK PROVES THRILLING DAY FOR SENIOR A'S

### 28 Students and Two Faculty Members Silently Steal Away and Spend Day at the Lake

The clock struck five. A few sleepy Senior A's crawled out of bed. There was a creak on the stairs; other doors opened slowly and soon the halls were alive with silent figures gliding hither and thither in the process of donning hiking outfits.

At six o'clock 28 Senior A's and two faculty sneakers, Miss Martin and Mr. Haeseler, left the bus depot without the knowledge of anyone else in school.

And then the fun was in full sway. The crimson and gray caps which were acquired in Spokane only added to the already distinguished appearance of the sneakers.

#### Eats Are Plentiful.

The sports of the day, after the sneakers reached Liberty Lake, were canoeing, rowing, hiking, playing ball. O, yes—and eating. O, you eats!

It was thought that Miss Martin already knew just about everything, but "Buck" and Myrl taught her something new. Playing craps is her chief avocation now.

#### The Brave Try Wading

Pearl Dowd and Myrl Daley had courage to go into the water. Their courage lasted up to the ankles. Nobody knows whether it was courage that took Jimmy O'Neill in. Judging from the bonfire it took to get him dry again, the motive must not have been under his jurisdiction.

One of the main features of the program was Polly Chandler's head-cheese sandwiches. Polly couldn't see the joke, but we attributed that to the fact that since she bobbed her hair she misses the queue.

#### Mr. Haeseler Is Some Coach

Mr. Haeseler was athletic director for the day. He's some coach, too, and when it comes to rowing a boat, or posing for a picture, he's unsurpassed.

Grace's and Buck's favorite sport is paddling in a canoe just big enough for two.

The Senior A songsters are solicitous of engagements. Any time, any place—and the rates? O, they're flat.

## Mr. Arney Gives Talk On Initiative Measures

A tea was given Thursday afternoon in the reception room for members of the faculty and their wives. Mr. C. B. Arney, of the Taxpayers' League, talked on the various initiative measures coming up at the next election.

Buy your hot-dog sandwiches from the Y. W. at the game tomorrow.

## IDAHO FROSH ARE VICTORS BY SCORE 13-7

### Savages Fighting Hard Are Not Able to Overcome Lead Gained Early by the Visitors

### WYNSTRA BREAKS THROUGH LINE

### Normal Player, After Making Spectacular Run of 50 Yards, Is Downed on 2-Yd. Line

Coach Eustis's fighting Savages lost a hotly contested gridiron battle to the Idaho Frosh here last Saturday by a score of 13-7. Seven hundred students watched their team fight bitterly until the last whistle blew trying to overcome the lead which Idaho piled up early in the game. The Frosh played consistently and took advantage of the breaks while the Normal backs were unable to make gains through the Idaho line. Cheney won the toss and elected to kick. After an exchange of punts Idaho made 20 yards on an end run and repeated the performance a few minutes later, placing the ball on Cheney's 3-yard line. Two line bucks gave the Idaho yearlings their first touchdown. The try for goal after the touchdown failed. Idaho continued to play a strong game and the quarter ended with the ball in Idaho's possession on Cheney's 30-yard line. Idaho fought hard and the Cheney team was unable to keep them from making their second touchdown. The try for point was converted, making the score, Idaho 13, Cheney 0.

**Wynstra Breaks Through Line**  
At this stage of the game Coach Eustis substituted a light, fast backfield for the big backfield which had been pounding into the Idaho line. The new men were able to gain around end and a few short passes were completed. Then Ted Wynstra broke through the Idaho line on an off-tackle play and ran over 50 yards through a broken field. He was downed on Idaho's 2-yard line. On the second play, Watkins went over for Cheney's only touchdown. The try for point was converted, making the score 13-7 for Idaho. Cheney threatened Idaho's goal again before the half was over. A place-kick was tried but it was blocked. The half ended: Idaho 13, Cheney 7.

**Cheney Takes Offensive**  
Cheney took the offensive during the third quarter, the play being mostly in Idaho's territory. Ashley and Johnson excited the fans by several fine exhibitions of tackling. A drop-kick was attempted but without success. Idaho fought hard and took advantage of the breaks and kept Cheney from scoring again. The play was in Cheney's territory during most of the last quarter. Both teams tried to make yardage through the aerial route but were, in the main, unsuccessful. Idaho tried two drop-kicks but both failed to count. The final score was Idaho 13, Cheney 7.

## GIRLS PREPARE FOR EVENTS IN SWIM CONTEST

### Relay Race Between Seniors and Juniors to Feature Meet Arranged for Within 2 Weeks

A swimming event is scheduled by Miss Dustin to take place within the next two weeks, where girls can display their ability as mermaids in the Normal plunge. Girls are urged to choose an event and come in on Tuesdays and Thursdays to practice for the contest.

The meet will consist of the following events: Swim twice the length of pool, free style; length of pool, back stroke; standing front dive; running front dive; plunge for distance; side stroke for form; back stroke for form, and a relay race between Juniors and Seniors.

## SPOKANE MAN WILL GIVE TALK ON PALESTINE

Rev. Charles McHarness of the Liberty Park Baptist Church of Spokane will be the speaker at the regular meeting of the Y. W. C. A., October 30. His talk will be on his travels in Palestine. The meeting is being planned by Marion Kienholz, president of the Y. W. C. A. Special music and a recitation will be other features of the meeting.

## NOTICE

The "W" Club has made a definite ruling against the wearing of letters and sweaters won at other schools and the display of emblems of institutions other than this one while you are on the campus. Please take heed.

ARTHUR BYERS,  
President

## CLARENCE EDDY TO APPEAR IN ORGAN RECITAL

### Famous Organist on Tour of West Will Be At Normal Auditorium Next Wednesday

Mr. Clarence Eddy of the Organ department of the Chicago Musical College will appear in an organ recital at the Normal auditorium next Wednesday evening, October 29. Speaking of Mr. Eddy's engagement here, Mr. J. E. Buchanan said: "Mr. Eddy's regular fee for a concert is \$250, but he has kindly consented to come to the Normal on a percentage basis. For that reason we are particularly eager to have a large audience. This number is not on the Students' Lyceum program."

The admission price will be thirty-five cents.

**Clarence Eddy Is Well Known**  
The name of Clarence Eddy is known throughout the musical world. He is recognized by the best authorities as one of the world's greatest organists, and his reputation extends from ocean to ocean. His teacher, August Haupt, the master-organist of Germany, declared that "In organ playing the performances of Mr. Eddy are worthy to be designated as eminent, and he is undoubtedly a peer of the greatest living organists."

After a concert given by Mr. Eddy at the Paris Exposition of 1889, Alexandre Guilman, the most famous French organist, paid him the following tribute: "Mr. Eddy's great virtuosity and his masterly interpretations elicited the warmest applause. We were astonished at the ease with which he was able to control the magnificent instrument of Cavaille-Coll, knowing that he had barely a few hours in which to familiarize himself with all its resources. Mr. Eddy is a great artist, and he has won the esteem of French organists. For ourselves, we are happy to extend to him our sincerest congratulations."

## GIRLS TO HOLD FINAL DOUBLES IN TENNIS MEET

The winners of the singles and doubles of this week's contests are: Della Lacy, Mae Rice, Juliette Woodard, Ruth Wilson, Viola Circle, Carolyn Haynes, Virginia Nance, Esther Blomquist, Helen Hays, Myrl Daley, Velva Mack, Elizabeth Andrews, Marjorie Main, Maxine Darnell.

## CLEVER STUNTS BEING PREPARED FOR NOVEMBER 7

Although the committees on the stunt program are still working in deep, dark secrecy, the Journal gets the rumor that there are some clever stunts well on the way towards completion.

The committee heads report that everyone who has been asked to help has shown the spirit of cooperation and that when November 7 rolls around they are going to surprise everyone with some very unusual entertainment.

## YANKEE DOODLE WINNING TUNE OF PEP SONGS

### Students Choose Snappy Songs in Spirited Contest at Tuesday Assembly, Auditorium

The tune of "Yankee Doodle" has lost none of its old snap, judging from the vote of the students at assembly last Tuesday. They awarded first prize in the pep song contest to Earline Dunham, writer of the song entitled "Cheney Normal," sung to the tune of "Yankee Doodle."

Second prize was won by Harriette Murphy, who used the tune of "Barney Google." Doris Lane and Ruth McCotter took third place with "The Pep Song," using the music of "Why Did I Kiss That Girl?"

Wallace Buckley used the catchy music of "Hinky Dinky Parley Voo" in a song entitled "Victory Is Ours Today," taking fourth place. "C. S. N. S.," by Doris Koefod, to the tune of "California, Here I Come," was given fifth place.

Twelve songs were submitted by students, and eight were selected by the Rooter Kings, Robert Osborne and Lawrence White, to be voted upon by the students.

The five winning songs follow:

(First Prize)  
**CHENEY NORMAL**  
By Earline Dunham.  
(Tune, "Yankee Doodle")  
Oh, C. S. N. S. is our school,  
She is the very best, sir.  
Her vim and snap  
Illumine the map  
Throughout the Golden West, sir.  
Chorus  
Cheney Normal's full of pep;  
Cheney Normal shows it;  
Cheney Normal has the goods,  
And Cheney Normal knows it.

Our Savages are peaceful braves,  
But try not get them mad, sir;  
For if you do they'll land on you  
And massacres are bad, sir.

Chorus—  
If a paleface tries to score  
He's in for grief and strife, sir;  
But with good luck  
If he has pluck,  
He may come back to life, sir.

Chorus—  
Our Indian maidens here galore,  
Our braves, they like 'em near, sir;  
With faces bright,  
Daubed red and white.  
Our colors are so dear, sir.

Last chorus—  
C. S. N. S. toots her horn,  
C. S. N. S. blows it  
C. S. N. S. has the goods  
And C. S. N. S. knows it.

## ARTHUR BYERS IS PRESIDENT MEN'S W. CLUB

### Three New Members Will Be Initiated Into Organization of Letter Men at Homecoming

Arthur Byers was elected president of the "W" Club at its first meeting of the quarter held on Thursday, October 16. The other officers are Ted Sheppard, vice president; H. J. Quinn, secretary-treasurer; and Blair Chenoweth, sergeant-at-arms. Lloyd Burpee was appointed chairman of the paddling squad and Wendell Laughon chairman of the initiation committee.

There are eleven old members in the club and three who have not yet been initiated. The initiation of the new members is to take place on Homecoming Day. The club decided to have nothing to do with collecting money at games and ruled against wearing awards won at other schools.

## HELLO CALLS BREAK UP ICE DURING WEEK

### Calls Not For Central, Just Way of Broadcasting Greetings to Everybody in School

"Hello, hello, hello!"  
No, we're not calling central. We're just greeting our fellow-students. From all the smiles and hellos that have been broadcasted during the past week, a blind man could have told there was something unusual in the air.

Even the instructors surprised their junior classes by entering their classrooms with beaming countenances and shouting "Hello" to everyone present.

The committee in charge is the publicity committee of the Y. W. C. A., of which Helen Whitnell is chairman. The signs placed on the doors had the desired effect of reminding everyone to greet his neighbor. Because the week is about to close, there is no reason why "hello" should cease to be a word in the vocabulary of the students.

Normal Avenue from the front door of the Administration building to the pillars is still "Hello Walk" and the committee urges that all the students co-operate in making it a tradition of the school.

## STUDENT HEADS NAME MEMBERS OF COMMITTEES

### Chairmen Select Students for Governing Bodies, 2 Juniors and 2 Seniors Each Group

Members have been appointed for the five Associated Student committees. The committees are: Finance, social, entertainment, men's athletics, and women's athletics. The chairmen were elected at the regular quarterly election. They, working with the president of the student body, appoint the four other members of their committees. Two members must be of Senior standing, and the other two must be Juniors in residence at least one quarter.

The committees and their members are:  
Finance—James Davis, chairman; Omer Pence, Verna French, Henry Spilker, Chesia Pollard.

Social—Luella McFaddin, chairman, Robert Osborne, Gertrude Reifemberger, Ruth McCollom, Oscar Guettinger.

Entertainment—Kenneth Davis, chairman, Paul Soper, Donald Webster, Mae Rice, Virginia Nance.

Men's Athletics—Homer Davis, chairman, Lester Reeves, Ross Bennett, George Peck, James O'Neill.

Women's Athletics—Georgia Bennett, chairman, Mae Rice, Elizabeth Andrews, Myrl Daley, Alice Clift.

## Your Pep! Your Pep! Is Students' Cry At Big Pep Rally

"Pep! Pep! Pep!"  
The whole town was aroused by the chanting of the Normal students last Friday night when they serpentine up and down Cheney, a mass of yelling, frenzied football fans getting ready for the game with the Idaho Frosh.

In and out of the movie they went, stopping twice on Main street to form a circle while the Rooter Kings put them through all the vocal gymnastics that make a school yell.

Then on again to the Normal they went, to the first and second floors, with every voice of the 500 chanting, "Your pep! Your pep! You've got it; Now keep it; Don't lose it; Your pep!"

Buy your hot-dog sandwiches from the Y. W. at the game tomorrow.

## HOME COMING BRINGS BACK MANY GRADS

### Former Students Appear on Campus to Share in Festivities of First Homecoming

### FOOTBALL GAME TO BE FEATURE

### Coach Says Savages Will Put Up Hard Fight to Even Score With Ellensburg Rival

Plans for Homecoming are completed and already former students and alumni have appeared on the campus to share in the events of Cheney Normal's first Homecoming Day.

Plans have been made for a monster rally tonight, in which all students, faculty, visitors, and townspeople will take part.

**Housing Committee Busy**  
The housing committee has been kept busy all week locating rooms for the visitors. Scores of reservations were made early in the week as a result of the coupons printed in last week's Journal, and the committee was swamped with applications for reservations yesterday and today.

Two thousand copies of last week's issue of the Journal were printed, 1,000 of which were mailed to alumni

A. A. Eustis  
Chairman of Homecoming Day Committee

and former students all over the Inland Empire. As a result Homecoming Day has been thoroughly advertised, and indications are that the event will be all that its boosters could wish.

**Stores Will Close**  
The merchants of Cheney have agreed to close their places of business between 2:30 and 4:00 tomorrow afternoon during the time of the Ellensburg-Cheney football game.

The game between the two rival teams of Ellensburg and Cheney will, of course, be the big feature of the day. The two teams will meet for the fourth successive year. Of the three games played between the schools Ellensburg has won two. In 1921 Ellensburg won 6 to 0, and in 1922 Ellensburg also won, by a score of 13 to 10. Last year Cheney was victorious, 20 to 2.

**Expect Tough Game**  
"The Savage line-up will be stronger for the Homecoming Day game than in any previous game this year," said Coach Eustis. "All the cripples are back in good shape and every man has the determination of winning this battle. Ellensburg has a strong team, judging from their records, but with the fight our team is going to show Saturday they cannot be stopped."

Captain Homer Davis expects a tough game.

"We expect the coming contest will be the toughest battle on our heavy football schedule this fall," said Davis. "Our men are all in good shape. The men who were crippled early in the season are back with us again and all are raring to go."

"The count in games won since the beginning of athletic relations with Ellensburg is two to one in their favor, and we are going to make it two each."

### WELCOME HOME

THE JOURNAL joins with the students and members of the faculty in giving the glad hand to you who have come back to the campus for the first Homecoming Day at Cheney Normal. We hope that you will make yourselves at home. While the buildings and the campus look pretty much the same as they did when you were here, you will of course note many changes. There will be hundreds of new faces here, and you will no doubt wonder where they all came from. You would find, if you could visit our class rooms, that our classes are larger than they were a few years ago. That would remind you that our school is growing, and that it will not be long before our regular enrolment will reach the thousand mark. You will find the same old spirit here that you helped to create, and you will find that we are trying to continue to build up a school at Cheney that will be altogether worthy of the great Northwest.

We believe in our school, and we know you do. Thousands of you are teaching in the Northwest, helping to mold the character of our boys and girls, giving to your profession the very best that is in you. That is the Cheney spirit. It is nothing more than Cheney has a right to expect of you, and that is what it has a right to expect of us when we leave the campus. We may not have many traditions here at the Normal, but somehow there is here that intangible something that makes us feel that we are better because we have been here, better prepared to go out and serve in what we believe to be the foremost of all our professions.

And so while we have never before met many of you, we have been drawn together on this occasion by the ties of fellowship, by the spirit of pride in our Alma Mater. We hope this will not be the last time you come to visit us. As the years roll on we, too, who are now here, hope to come back to see the old faces and to meet many new ones, just as you are doing now.

And so we say again, make yourselves at home. The place is yours.

### DIVING BOARD NEEDED

EVER SINCE the plunge was repaired, over a year ago, it has been in need of a diving board to make it complete. For a time an ordinary gymnasium spring board was made use of, a board which was never satisfactory and should not have been used at all on account of the damage done to it. It finally broke down entirely and the plunge, although used more and more, has since been completely lacking in one of the things necessary for its enjoyment.

During the summer a board was constructed, but at an excessive cost and of an unsatisfactory type. President Showalter has wisely refused to approve the bill or permit the board to be installed, but in the meantime there is a crying need for a suitable board. The board which is finally installed should be of a tried and proved design, should be tested and corrected during construction and before installation by those who know from experience just how a board should be, and should then be securely and permanently fixed in position, with provision for making the slight adjustments that may be needed. On no account should there be installed any board of unsatisfactory design or construction or one which is likely to become unsatisfactory, because it would only be a continual source of regret and annoyance, and possibly danger, and would postpone indefinitely the obtaining of a satisfactory board.

If the board already made up can be rebuilt or altered so as to make it sufficiently satisfactory, that probably should be done, provided the matter of cost can be adjusted. If this cannot be done, steps should be taken at once to design, construct and install a board of a permanently satisfactory type so that it can be made use of now instead of merely hoped for.

### REMEMBER NOVEMBER 7

ARE YOU in the stunt program November 7? Don't be a slacker. If you are asked to show your brilliancy, don't be bashful. If you're not a performer, keep the date open and come to enjoy the fun with us.

### RESERVE YOUR KINNIKINICK

WHAT does this year at Cheney Normal mean to you? It may be one of the greatest years of your life, and you will want to leave here with some souvenir as a continual reminder of the friends and good times you have had here.

The Kinnikinick is the finest souvenir you could take with you when you leave Cheney next spring. It will contain pictures of your classmates and friends, and it will have records of all the year's activities at school.

The drive for subscriptions starts next week. Reserve your Kinnikinick early. One dollar is all that is needed now to reserve your annual, and not more than two dollars will be paid when you get the book.

Seven hundred copies must be sold in order to pay for this high-class volume. Let's do our bit by reserving ours next week.

### WHY NOT ALL THE 800?

SO FAR as the yell leaders and paddling squad were concerned last Saturday at the football game, the rooting section was a howling success. Otherwise—well, it wasn't so good. The rooters who were there did their best, of course, but how about the rooters who were NOT there?

The truth is that only about one-third of the student body turned out last Saturday to Cheney Normal's first and hardest home game. The football team has a right to your most loyal support, and you have no right to expect a winning team without giving them your most enthusiastic backing.

Tomorrow is Homecoming Day. There is no reason why 800 students should not be out on the field to root our team to victory. Let's go and make it a success.

### KEEP THE "HELLO" SPIRIT

YOU'VE GOTTEN the habit, now see that you keep it! Hello Week at Cheney Normal is about to come to a close, but that doesn't mean that you must quit saying "Hello." Go on greeting strangers and making new friends. Let's remember, too, that "Hello Week" is not a thing of the past but a tradition to build up now and in the future. While you are at Normal do as the other students do. Be one of the crowd. Keep saying "Hello" with the rest of us.

### LOYALTY

YOU ARE loyal to Cheney Normal. We can take that much for granted, can't we? Then don't wear awards won at other schools, or any articles which tend to lessen our school spirit while you are attending school here. It gives one the impression that another school means more to you than this one.

### SERVICE

THE MEMBERS of the Normal Y. W. C. A. are planning to locate all needy families in Cheney, and to call on girls who are ill. We can think of no worthier program for a Normal organization. It is the spirit of service that helps to make the world brighter and better.

### VALUABLE EDUCATIONAL LIBRARY

(Journal of N. E. A.)

THE LARGEST and most complete library of strictly educational literature in America is maintained by the United States Bureau of Education at Washington. This library is administered as a central reference and lending collection for teachers and educators. Its bibliographers supply information to investigators of technical educational subjects. On request the library will give information and advice regarding methods of organization, administration, cataloguing, classifying, etc., for educational libraries and educational book collections. The Bureau has recently listed for the first time a complete list of publications and other materials from all federal departments useful to teachers in Bulletin 1924, No. 23, a copy of which may be had by sending a card to the Commissioner of Education, Department of the Interior, Washington, D. C.

### THIS MAN WORKED—AND WON

(Editorial, Spokane Chronicle)

THE world of letters has lost another noted figure in the death of Anatole France in his eightieth year.

Jacques Anatole Thibault, to use his real name, was possibly the best known in America of the modern French writers. His poetry, novels, essays and historical works were widely translated and had a large following both in England and the United States. To many his works were a representation of the best his country had to offer. Made famous by his writings while yet a young man, Anatole France continued to be a favorite with his public throughout the years. His nation honored him by making him an officer in the Legion of Honor. In 1921 he won the Nobel prize for literature.

To the young writers of America his achievements in life are a shining example of what can be done by hard work. His success was made possible by the hardest kind of digging.

Dere Ma:

well ma you may be surprised to see me comin hum tomoro but such is what is going to happen. I had sorta planned on stayin down this wk end but the faculty ordered everybody attendin Normal to go home. This happens wunz a yr and they call it homecoming wk. This wk has been designated—which means laid out ma—as hello wk but ma I think it would be more fittin to call it Goodbye. I guess the normal will be a pretty quiet old place over Sat., went it ma, with me gone.

think the idear of the thing was that they are getting some new kitchen utensils and wanted to get the cupboards and things ready for them because I have heard a good deal of talk about cleaning up for the aluminum. Too bad they don't keep things redde up all the time.

Say ma in examinations down here I always look on the other fellows paper who sits next to me. You know I can't afford to be blamed for all the mistakes in my answers, ma.

Your loving son,

Pete.

### Blk History

There was a school had "Hello" wk. And one young man did not spk. So him they paddled. Until he ske-daddled. Poor fellow. Had a cold and could only sqk.

Yes, Mabel, that's written about a handsome shk.

We'd have worked it in only the poem ended before we had time.

### Chapter Two on How to Be Popular Though Dumb

Well, well, here comes Mr. Hae-seler, head of the Penmanship department.

He is one of those strong, silent men one finds in the west. In class he never says the same thing twice.

His motto is "Push-or pull-y" with the emphasis undoubtedly on the latter. This motto he gives in the form of a vocal selection at every class.

To be popular with him? Be consistent. If you start in his class using finger movement, stick to it to the end.

### JUNIOR HI TRIMS TRAINING SCHOOL BY SCORE 6 TO 0

The third and deciding game of a series of three between the Cheney Junior high and the Training school last Thursday was won by the Juniors by a score of 6 to 0.

The Training school won the toss and decided to receive. Champlain received the ball on the 12-yard line and returned it 15 yards before he was downed. The Training school failed to make yardage and on the fourth down Henderson kicked to Bardwell, who returned it 15 yards. The Junior high, by a series of off-tackle plays, carried the ball to the 15-yard line, where they lost it on a fumble, Corcoran recovering it for the Training school. The quarter ended with the ball in possession of the Training school in the middle of the field.

The Training school lost the ball on downs and the Junior high again carried it down the field to the 10-yard line, where it was lost on downs. The half ended with the ball in possession of the Training school on the 15-yard line. The line plunging of Royal Womach and Colyar for the Junior high was the outstanding feature of the first half.

The second half started with the Junior high receiving the ball from the kick-off. Several end runs and line bucks placed the ball on the 20-yard line. An off-tackle play by which Royal Womach made 19 yards for the Junior high placed the ball on the one-yard line. Raymond Womach carried the ball over for a touchdown. Bardwell failed to kick goal and the quarter ended.

The Training school received the ball from the kick-off. Christoph returned the ball 20 yards before he was downed. The Training school started an advance down the field, Christoph and Henderson making several gains by wide end runs and McDonald going through the line for several substantial gains. The game ended with the ball in the Junior high's possession on their 20-yard line. One of the outstanding features of the game was the tackling of Bruhl, the Junior high's star line-man.

## Y. W. MEMBERS HEAR TALK ON SOCIAL SERVICE

### Organization Is Making Plans to Locate Needy Families in Town and to Aid Sick

Mr. M. H. Pashley, head of the Social Service Bureau of Spokane was the speaker at the Y. W. C. A. meeting Thursday, October 16. His talk was on "Service" and consisted chiefly of an explanation of the work of a social service bureau.

Nella Johnson, chairman of the service committee of the Normal Y. W., gave a short talk on the work laid out for the coming year. She asked the co-operation of all the members in locating needy families in Cheney, and in calling on girls who are ill.

There is to be a scrapbox placed in the Y. W. room soon. Everyone is asked to place in it pieces of material which may be of use in piecing quilts for needy families.

The other numbers on the program were as follows:

Hymn—"Love Divine, All Love Excelling."

Lord's Prayer.

Hymn—"Joy to the World."

Scripture Reading—Cor. 13:1-13.

Vocal Duet—"O, Master, Let Me Walk With Thee," Jamesina McLean and Violet Gerhauser.

## Senior Hall Girls Entertain Friends Back from Teaching

Inda Smith, who is teaching at Amber, was a guest of girls at Senior Hall last week-end.

During the week-end Velva Mack entertained Ellen Murphy, of Walla Walla, a former student, now teaching near Spokane.

Is there no human sympathy among those teachers? Mabel Bennett has not quite recovered from her brave attempts to outline 246 pages of reading last Sunday afternoon.

Room 210 produced weird sounds this week-end when Velva Mack and Winnifred Largent entertained Louise McColl and Violet Hinchliffe of Monroe Hall.

Everything must be paid for, and so to obtain quietness during the week-end we had to bid farewell to the following girls, all of whom went to Spokane: Elva Carlson, Rita Bergman, Ilene Erickson, Lorena Schwitzer, Genevieve Bishop, and Hazel Loughlin. There were others who left us in peace, and those were: Lois Spining, Espanola; Martha Schubert, Rosalia; Marjorie Main, Kahlotus; Velma Sloan, Thornton; and Grace Rohweder, Spangle.

The question is, "How did they escape?" Authorities must be careless or regardless of public safety. Melvina Dillingham, Pearl Dowd, Leonnaine Hill, and Myrl Daley returned on Saturday evening, tired and weary, dusty and sunburned, after having hiked to Medical Lake.

Helen Long takes this opportunity to thank all her friends for their willingness to help in the restoration of her treasured toad. The little creature now reposes safely in his damp bed.

Beulah Rice was the guest of Mildred Davis and Gertrude Gilley last week-end.

Leonnaine Hill, Myrl Daley, Pearl Dowd, and Melvina Dillingham hiked to Medical Lake and back last Saturday.

Lillian Molson spent the week-end at her home in Portland.

Eather Nystrom went to Coeur d'Alene for the week-end.

Hulda and Pansy Stahl spent last week-end at their home at Medical Lake.

Mildred Fox went to her home at La Grande, Oregon, last week-end.

Edwin Barnes visited his sister, Margaret, here last Sunday.

Two Spokane girls who spent the week-end at home were Lucile Spees and Marion Neill.

St. John claimed Glessie Mattingley and Josephine FitzGerald last week-end.

Laura Galbreath spent the week-end with her parents at Vera.

Senior Hall girls who visited with friends or relatives in Spokane last week-end were Marguerite Ferguson, Orval Scott and Emma Zagelow.

Helen Aebly spent the week-end at her home in Tekoa.

## "Back to Kid Days" Is Slogan at Party Of Off-Campus Girls

"Back to Kid Days" was the topic of the Apache Girls! Such a delightful, rowdy, kiddish bunch of very young girls gathered around the dinner table Wednesday night. All formality was thrown aside and kids took command. Florence Coardy won the prize for the cleverest costume. Then after the party—! Catherine Leland, Estella McKay, Florence Coardy, and Ursula Culler went by the show house—and do you know, those wee youngsters got in for 10 cents.

Katherine Robinson entertained her mother over the week-end.

Inda Smith was the Saturday dinner guest of Esther Phelps, Carol Metcalfe, and Emma Johnson of the Blue Lantern.

Kate and Georgie Cornwall entertained friends from Hunters on Friday.

Irene Colyar was among the group of Epworth Leaguers who went to Sprague Sunday.

Alma Bennett and Janet Craig, who are teaching at Sprague, spent the week-end at the Craig home.

Doris McRoberts and Hilda Orion were at their homes over the week-end.

Laura Lee spent the week-end with her cousin at Cedoria.

Lillian Herron was the guest of Virginia Showalter Saturday and Sunday.

Tess Armstrong was at her home in Ritzville over the week-end.

Roberta McCorkell, Catherine Jamieson, and Orpha Winegard spent the week-end at their homes in Medical Lake.

Lilly Tearle and Lucile Straughan have taken rooms at the LaMont Smith house.

Among those who were at Spokane during the week-end are: Frances McManamon, Marian Milligan, Bernice Styles, Eva Magart, Carol Metcalfe, Freda Brown, and Selma Matison.

Carrie Albers and Edith Peters spent the week-end at their homes in Spangle.

Olga Quam spent the week-end in Spokane.

Miss Blythe Tucker of Oakesdale was the Sunday guest of Emmahrea Morelock.

Letha Hansen spent the week-end at her home in Spokane.

Mr. and Mrs. Church, Amy Coleman and Emily Smith motored to Spokane Sunday.

Pearl Hair visited friends in Pullman over the week-end.

Edna Reinbole was a Spokane visitor Saturday.

Eva Sander spent the week-end at her home in Rathdrum.

Helen and Harriette Hughes spent the week-end with their mother in Palouse.

Hazel Sonville, Dorothy Chase and Pearl Curtis spent the week-end in Palouse. Miss Sonville came back a victim of the barber's scissors.

Faye Trimble, Wanda Lebold and Rose Broton spent the week-end in Spokane visiting friends and relatives.

Verlin Rust of Sutton Hall and Buell Throop were guests of the Palouse House at lunch Sunday.

All the girls of the Palouse House donned their hair ribbons, short dresses and other childish clothes and went in a body to the off-campus kid party Wednesday night.

Mr. Albert Gall of Usk was a guest of Faye Trimble Tuesday evening.

## Football Proves Great Attraction for Monroe During Last Week-End

Football proved too great an attraction to most of the girls at Monroe Hall this week-end, and fewer pilgrimages were made to Spokane than usual.

Five girls, Olive Randall, Ruth McCollom, Doris Olson, Elvera Olson, and Josephine Olson, went to their homes in Ritzville.

Friday afternoon and evening Wilma Osborne entertained Evelyn Preson and Mrs. Lorraine Forcum, both of Spokane, at the Hall. Mrs. Forcum is a graduate of Cheney Normal, having received her diploma here last summer.

Lillian Flaig went to Waverly, and Elizabeth Buerger to Plaza over the week-end, accompanied by May Conner.

Mildred Glatfely went to Reardan, and Rose Chekal to Rosalia.

Grace Clark motored home with her father, J. B. Clark, of Latah, to see her new baby sister.

Edith Pailey went to Sharon with Hazel Cory.

Edna Allenbach and Lucille Thorson visited Spokane over the week-end.

Mina Coale went to Paradise, Montana, returning to the Hall Monday morning.

Viola Martin went to Spokane Saturday morning with Miss Wilson.

Dorothy Lemon visited her sister, who is head nurse at St. Luke's hospital in Spokane.

On Friday night, October 17, Viola Martin entertained a group of girls at a party in honor of Ruth Burch, the occasion being the latter's birthday. First the guests went to the theatre downtown, after which they assembled in Miss Burch's room. Numerous games were then played, after which dainty refreshments of jello and cake were served by the hostess. Those present were: Ruth Burch, Viola Martin, "Ed" Dewald, Peggy Sullivan, Marea Harwood, Ann Herzner, Clara Kleweno, Helen Strahm, Irene Kelley, Maud Thompson, "Paul" McMillan and Viola Wrights. The guests departed before the blinking of the lights, and all present reported a pleasant time.

## Arithmetic Tests Are Given to Pupils In Training School

Monroe's Standardized General Survey Arithmetic Tests were given last Monday from the third to the eighth grade, inclusive. The scores for these tests were charted and will be shown to the pupils. Near the end of the quarter another form of the same test will be given and the scores for these will also be charted so that the pupils may be able to determine their progress during the quarter.

The sixth grade is observing the birthdays of famous people which occur during each week. Those for last week were: October 14, William Penn; October 15, Virgil and Abbe's Teresa. Those for this week are: October 21, Horatia Nelson; October 25, Chaucer.

A new Miesner piano has been placed on the first floor of the Training School. It is to be used by the first three grades, each grade having it a week at a time.

The sixth grade is spending a very interesting half hour every Friday studying current events.

Mrs. Lily Luft, who is teaching in the fifth grade, has been absent from school for several days, due to illness.

The sixth A class is finding the National Geographic Magazine and the Literary Digest a great help in their study of geography.

The fifth C class has finished some good English posters which they intend to exhibit.

October 11 Miss Williams, Mrs. Young, Mrs. Peeler, and Miss Chapman drove to Kettle Falls, returning the next day.

The seventh grade review class in geography has been working on a products map of Africa. The products range from diamonds to elephant's tusks.

The per cent of attendance for the first month has been taken, and it was found to be as follows:

Sixth grade, 97.9.  
Fourth grade, 97.6.  
Eighth grade, 97.  
Second grade, 97.  
Third grade, 96.6.  
First grade, 95.7.  
Seventh grade, 94.9.  
Fifth grade, 94.7.

Grade cards are given out Friday of this week, following the regular semi-quarterly tests which were given in the upper grades.

Each pupil in the eighth grade is the possessor of a News Outline which is used each week in connection with history.

## Moscow Artists Score In Russian Program

The Moscow Artists scored at the Normal auditorium Tuesday evening when they presented the first number in the Students' Lyceum series. The program, given partly in original Russian costume, was principally of Russian music, although the audience was delighted with some English numbers, among them "Mother Machree" and "Sing Me to Sleep." All numbers were warmly applauded and the company responded to several encores.

## HISTORY OF ART WILL BE SUBJECT ART CLUB STUDY

Historical tableaux will be given by the Art Club next quarter. This was decided at a meeting of the club on Monday, October 13. In preparation for the production of these tableaux the club will this quarter study the history of art.

Officers were elected as follows: Willene West, president; Lena Rambo, vice president; and Valera Kulp, secretary-treasurer.

The club has arranged to meet every Wednesday from 6:45 till 8:00. A half credit will be given to all members.

## Manual Arts Grad Spends Week Here With Old Friends

Earl J. Reed, a graduate from our department in 1924, spent the week-end on the campus, greeting his many friends. He is now teaching at Kahlotus. The work has gone well so far. He expects to be kept a little busier from now on, as basketball season will soon open.

Word has been received here from Earl S. Akers, who graduated in 1924. He is now head of the Manual Arts department and athletic coach at Clarkston high school. He reports that his work is going well and he has good prospects for a winning football team.

John Shields, who has been in the hospital at Sprague, has almost recovered from his recent operation. He has been taken to his home in Lamont to recuperate, but he expects to return to school as soon as possible.

The Manual Arts students claim some consideration for the fact that they built the fence around the football field. This was a hard job and saved the athletic committee a neat sum of money. Every one knows how necessary the fence is to the field—why not speak a good word for the boys who put it there?

## Cheney Instructors To Appear on State Education Program

Five members of the faculty are planning to attend the meeting of the Washington Educational Association, to be held at Walla Walla, October 7, 28, and 29. They are Mr. Buchanan, Mr. Craig, Mrs. Lewis, Miss Martin, and President Showalter.

Miss Martin will present at the meeting some tentative plans for the State course of study in geography, and President Showalter will deliver an address on "Teacher's Training Work." He will also speak in two other sections of the program.

## OFF-CAMPUS GIRLS HAVE MERRY TIME AT SCHOOL PARTY

Judging from the tin-pan orchestra, the pink and blue aprons, dolls, and rag toys in evidence, the Off-Campus Girls were experiencing their second childhood at the party in the gymnasium last week. Among the most charming of the youngsters were Miss FitzGerald, Miss Dustin with her Teddy Bear, and Mrs. Lewis, whose curls were the envy of many of our modern flappers.

Florence Coardy, in a frock of black and white ruffles, was adjudged the most attractively dressed child.

"Just like children, aren't they?" exclaimed an onlooker, noting the "free-for-all" caused by a mere box of candy.

After several rounds of such strenuous games as "Drop the Handkerchief" and "London Bridge," alternated with ice cream cones, the little maids tripped wearily away to their homes—and dreams of their first childhood.

## SENIOR A PEP BROADCASTED IN ASSEMBLY

### Students Who Effectuated Unobstructed Get- away Give Songs and Yells As Programme

The Senior A's pep found an outlet during assembly period Thursday, October 16. After such an unobstructed get-away on Sneak Day their hilarity seemed to know no bounds. Some of the products of the day before were broadcasted by the ingenious, crimson-capped sneakers. They were:

Some E—aws  
Sweetly slept the Juniors at the break of day,  
Sweetly slept the B's and C's while we snuk away.  
E—aw; e—aw; e—aw; e—aw; e—aw.  
Sweetly sang the Senior A's, all along the way.  
Swam the trees and climbed the lake all the livelong day.  
E—aw; e—aw; e—aw; e—aw; e—aw.  
Sadly toiled the juniors all the mournful day.  
Lonely pined the B's and C's for the Senior A's.  
E—aw; e—aw; e—aw; e—aw; e—aw.  
Sweetly sang the Seniors at the close of day.  
Woke the echoes of the town before they hit the hay.  
E—aw; e—aw; e—aw; e—aw; e—aw.  
Now the Sneaks are home again, peppy, tired and glad.  
We're the best old Senior A's Cheney's ever had.  
Hurrah! hurrah! hurrah! hurrah!  
End of a Perfect Day  
Tune: A Perfect Day.  
Chorus: It Ain't Gonna Rain no Mo'.  
When you come to the end of a perfect sneak,  
And you're rattling home in the bus  
Our tummies are full and our knees are weak,  
But there ain't no flies on us.

Chorus:  
O, there ain't no flies on us, on us.  
There ain't no flies on us.  
Our tummies are full and our knees are weak,  
But there ain't no flies on us.

Mr. DeWitt Speaks

Another feature of the assembly period was a short talk by Mr. John DeWitt of Spokane. Mr. DeWitt read several poems of which he is the author. He has been called "The Sunshine Poet of the Northwest." He was warmly applauded.

## KINNIKINICK TO BE VOLUME OF 208 PAGES

### Annual Will Contain 36 New Pictures of School and Have Bet- ter Snaps Than Before

Plans for the 1925 Kinnikinnick are now under way.

The cover for the book this year will be furnished by the David J. Molloy company of Chicago, the same firm that furnished last year's cover.

This year the cover is to be black variegated with green, giving the effect of a mottled dark green. There will be a green gold panel with a special Indian border, inscribed with the title. The school seal, in the same color, will be embossed in the lower right-hand corner.

Larger Than Last Year

Last year the Kinnikinnick had but 160 pages. Present plans for this year call for a book of 208 pages, with an added feature of a Summer School section, including pictures of the graduating class, snapshots of County Day, and records of other activities.

The book will contain thirty-six new views of the school, interior and exterior. These were taken during the summer by the Angvire Studios of Spokane. They include new and special views of all the halls. More and better snapshots are expected than were contained in last year's annual. It is urged that students take an interest in collecting snaps during the whole year, and stunt pictures are especially in demand. It is also urged that those turning in snapshots select very clear prints in order that they reproduce well in the cuts.

Will Cost Nearly \$2600  
The cost of the Kinnikinnick this year is expected to reach nearly \$2600. The printing bill alone is estimated at \$1600, and the bill for

the cuts will probably be \$800. Of the estimated \$2600, only from \$500 to \$600 can be raised from subscriptions. At the estimated cost of \$3.00 per copy it is seen that 700 copies must be sold. If more than this number can be sold, the price will be lower.

The subscription campaign will start next week among the students of the Normal. Alumni are requested to leave subscriptions at the registration desk.

## RIGHT TO GIVE DEGREES WILL RAISE RATING

### Would Give Normals of Washington Class A Rating in N. E. A. Says President Showalter

The granting of degrees would give the Normals of Washington Class A rating in the National Association, according to a statement made by President Showalter last Wednesday morning before a meeting of the Advanced Student class.

There is much that can be accomplished through the constant and energetic effort of the Advanced Student body in a thorough presentation of arguments for degrees, said Mr. Showalter. He suggested that the students continue working with their petition which is to be presented to the legislature, and that in addition similar petitions be put before the various members of the alumni who are teaching in neighboring towns.

"These teachers ought in their turn make every effort to interest the business men of the community in this proposed plan," continued the president. "It is of the greatest importance that the legislators be interviewed and made well acquainted with our request and the fundamental reasons why the right to grant degrees should be conferred upon the State Normals."

No Additional Expense

"There are several arguments for this right and it is well that each student should know these thoroughly. In the first place, let all understand that by conferring the right upon the Normal schools to grant degrees there would be no additional expense whatsoever to the State, since the work now given in these institutions is such as is required. The power to grant degrees will serve as a magnet which will encourage students to take advanced work. This means better preparation, better teachers and as a necessary result, better pupils."

"Students can attend Normal school at a much smaller cost than they can attend College or University. Moreover, a degree has a commercial importance. It is accepted by the public as a symbol of accomplishment. It plays a part with regard to a board of directors who must choose a teacher. A man or woman with a degree will have the preference."

"Seventy-six per cent of the State Normals of this country have been made Teachers' Colleges and given the power to grant degrees. Even in the conservative southern states such as Kentucky, Virginia, South Carolina, Texas and Oklahoma, where less is spent for education than in Washington, this right to give degrees after four years of collegiate work has been conferred. Those institutions therefore are on a higher basis in the Association of Teachers' Colleges than are the similar institutions of Washington."

Educators Favor Plan  
"Were the power to grant degrees given to the State Normals here, the University of Washington would accept our credits at par value and authorize graduate work to those who complete the Advanced courses. One more point of advantage to be derived should this power be authorized is this, that advanced Normal School diplomas will at once be placed in the accredited rank throughout the United States."

In concluding his address President Showalter stated that the proposed plan of the Normal schools had been enthusiastically accepted by a group of superintendents and executive school officers who had been called to discuss the matter. Moreover the Joint Board of Higher Curricula for Washington approved the plan at the executive session held in Seattle last week.

### NORMAL JOINS HEALTH DRIVE MILK CAMPAIGN

The State Normal School is joining practically the whole country in a Health Program and Milk Campaign. The following have been appointed by President Showalter to have charge of the drive: Mr. Hunge, chairman, Mrs. Lewis, Miss Dutton, Mrs. Anderson, and Miss Plympton.

Posters will be made, both at the Training school and at Normal, and talks will be given at the assembly and at various towns about Cheney with the object of educating people to the importance of milk in children's diet.

Buy your hot-dog sandwiches from the Y. W. at the game tomorrow.

### Mr. Oliphant Receives New Books for Normal

Mr. J. Orin Oliphant has received a number of new books, some for the school library and others for his private use.

"The Congressional Record for the Second Session of the Fifty-fifth Congress" was given to the library by Mr. Ray Peterson of Cheney. This volume is a record of events of the period during the Spanish-American war.

Several volumes, including "Histories of Louisiana," and "Travels in North and South America," were sent to the library by Mr. Parry Borgstrom. Mr. Borgstrom, who is now professor of chemistry at Tulane University in New Orleans, was graduated from Cheney Normal in 1912.

A two-volume edition, "Abridged Chronology of Universal History, Ancient and Modern," was also sent by Mr. Borgstrom. This is written in French and was published at Paris in 1823. These volumes are not to be placed in the library, but are Mr. Oliphant's private property.

## SOCCER RUINS SCHOOL-GIRL COMPLEXION

### Girls Playing Game Come in From Foot- ball Field With Coat of Brunette on Faces

"Are we using brunette to powder? Well, I'll say we are!" is the cry from most of the girls taking soccer this quarter. They come from the football field with their school-girl complexions completely exterminated by dust, but cheerfully say, "It tastes pretty good, anyway."

There will be three teams organized: Off Campus, Monroe Hall, and Senior Hall. The girls making these teams are eager for competitive games to begin, and they have tentative plans on foot for a game Saturday, November 1.

And at meal times, between swimming and soccer, the words heard most frequently at the table are, "Encore, please!" for everything present, from potatoes to dessert.

THE PEP SONG  
By Ruth McCotter-Doris Lane.  
(Tune, "Why Did I Kiss That Girl?")  
Cheer then, my boys, then cheer,  
Cheer with might and main!  
Cheer loud one and all,  
For we'll win this game!  
We'll beat them! We'll show them!  
That it's hard to put us down.  
Cheer then, for the Savages!  
We're right behind them now.  
We're always hard to beat,  
Never meet defeat.  
Just watch us roll the score,  
We can do it some more.  
Now isn't it a shame,  
But it's in the game  
To show those fellows  
That they're too tame.  
Cheer then, my boys, then cheer!  
Cheer for the Savages!

### "When a Man's a Man" By Harold Bell Wright Is at Normal Tonight

When a Man's a Man' is the movie coming to the Normal Auditorium this evening. It is a dramatization of Harold Bell Wright's famous novel.

The tale concerns a rich young eastern tenderfoot and his love for a sensible woman. When she refuses him because he is not a real man he leaves for the west to become a man. How he does so, most effectively, is one of the most interesting stories the movies have even produced.

The picture was made on the very spot the original play was written about, Prescott, Arizona. It follows the author's original story, instead of deviating from it widely, as many dramatized novels do.

With only 26 per cent of the educational grants sold there is about \$23,000,000 in the permanent school fund of the State of Washington, according to Clark V. Savidge, commissioner of public lands. Constantly increasing values of lands and timber make it likely that by the time the educational grants are all disposed of the fund will aggregate more than \$100,000,000.
